Razstava **La doctora - slovenska raziskovalka v Paragvaju** bo predstavila življenjski credo izjemne ženske dr. Branislave Sušnik, ki je svojo znanstveno in raziskovalno dejavnost posvetila Paragvaju, kjer je živel in delala vse od leta 1951. Znanstvenica, etnologinja, antropologinja in etnolingvistka slovenskega rodu, s pogumno življenjsko in edinstveno raziskovalno potjo, bo prvič predstavljena v Slovenskem etnografskem muzeju.

Razstavo pripravlja Slovenski etnografski muzej v sodelovanju z Etnografskim muzejem Andrés Barbero v Asuncionu, Paragvaj.

The exhibition **La Doctora, a Slovene Researcher in Paraguay** will present the life and achievements of an exceptional woman Dr. Branislava Sušnik, whose powerful research work described Paraguay, where she lived and worked from 1951 onwards. The life of this distinguished researcher, ethnologist, anthropologist and ethnolinguist, who came from a Slovene background will provide a vivid portrait of her unusual, courageous life and research, and will be for the first time highlighted at the Slovene Ethnographic Museum.

The exhibition is being prepared by the Slovene Ethnographic Museum in cooperation with the Andrés Barbero Ethnographic Museum in Asunción, Paraguay.
