Lecture & Workshop

The combination of spirituality and dance is timeless. In all cultures and through all the ages people have danced to express their relationship with the mysteries of life and death, the gods, the inner source. In temple dances and in some old folkloristic dances this can still be found, but also in more recent, special choreographies.

You are cordially invited to the

Lecture & Workshop

on Wednesday , 9 November 2016, 17.00 – 20.00

Workshop

on Tuesday 10 November 2016, 17.00

at the Slovene Ethnographic Museum, Metelkova 2, Ljubljana (administration building)
